

# ANTIQUE AUTO MUSHERS OF ALASKA

## Recommended Repair, Restoration, and Installation Facilities - 2018

**Please Note:** The facilities listed below are based on the positive experiences of AAMA members. This list is meant to assist you in choosing a shop for the work you need done on your precious, historic automobile. It is your responsibility to make sure of satisfactory estimates, pricing, and work to be accomplished. If you are not in the least bit satisfied with services rendered, let the club know so the facility can be removed from the list.
